DETAILED WALKTHROUGH

A very well designed yacht that features four staterooms sleeping 8 owners and guest in the main cabin area. Aft of the salon you will find a crew/kids cabin with head and A/C. The Viking Sport Cruiser will run comfortably at or near 30 knots in 4 to 6 foot seas! She is a very viable owner operator yacht with the availability of a true crewed yacht should it be desired. In addition of flybridge and hardtop with full enclosure please note that this is on of the very few Viking Sport Cruisers that offer a High/Low swim platform that also holds and launches the dingy.

She has just enjoyed complete new carpet and complete new carpet runners.

Her entire décor package is well designed and very tastefully done.

MAIN SALON

Enter the salon from the aft deck through large polished stainless steel framed sliding glass door that also features a hydraulically opening window to starboard. The gigantic open-air feeling is immediately apparent. Huge leather "U" shaped sofa is to starboard with leather love seat to port. Forward of the love seat the salon features a Bose home theater system with TV, VCR, DVD and Sat TV. Just aft is refrigerator, bottle and glass storage.

Just forward of the salon on the port side is an internal spiral staircase to the flybridge. And forward of the staircase is a nice dinette. The entire area flows well and opens for complete social interaction.

Salon to Port

Salon to Starboard

GALLEY

The galley is mid cabin on the starboard side and down a few stairs. This creates open-air feeling with direct eye contact with those in helm, salon or at the dinette. The galley features a dishwasher, double under counter refrigerators, icemaker, four (4) burner stove and microwave oven.

MASTER STATEROOM

Starboard and amidships is a huge master stateroom that features walk-around queen berth with drawer storage beneath, hanging cedar-lined locker and an abundance of storage. Additional features include a dressing table with mirror and stool; drop down from the headliner color TV and home theater sound system. Also please find a complete en-suite head and stall shower.

VIP STATEROOM

VIP cabin is located forward with walk-around island queen berth. This stateroom also features color TV and home theater sound system and complete en-suite head and stall shower. There is an abundance of drawer and locker storage combined with a delightful décor package.

GUEST STATEROOM III

The third guest stateroom is located port side and features side by side twin berths. There is a large hanging locker and good drawer storage. TV and extensive sound system. There is also access to a full head and stall shower.

GUEST STATEROOM IV

The fourth stateroom is just aft and outboard port side of the companionway stairs. This cabin features over/under berths. Inboard is a large counter under which is a freezer, washer/dryer, trash compactor as well as controls for the remote located water maker.

CREW QUARTERS

Crew/kids quarters are located aft and feature a head and A/C along with entertainment center.

DECK

Custom hardtop with full enclosure, remote control windlass with anchor bow roller and wash-down system. Aft deck features fully shaded seating from the flybridge overhang. Large seating, high/low table, twin 50 amp shore power Cable master systems and a hydraulic swim platform that doubles as tender storage and launching device. Also there is a shower and port and starboard Simpson Lawrence snubbing winches both with line storage binds and hidden fender storage racks. Below the aft deck is the generator compartment, which features huge amounts of storage and a large commercial icemaker.

High Shine Hull and House

Aft Deck Seating

Life Style Swim Platform

FLYBRIDGE

Is an ideal gathering center that features an abundance of seating for 10 or more in a large wrap around seating area with an aft high/low table, which converts to a flat lounge. There is an icemaker, refrigerator, wet bar, sink, grill, bottle storage and large sun pad cushions. Additionally there is an extreme sound system that is tied to speakers on the fore deck, aft deck and throughout the bridge area.

ELECTRONICS – INSIDE HELM

The inside helm features both helm and companion seats as well as a starboard side pilot door. Electronics include, autopilot, Furuno 1942 radar, SAT phone, SAT TV system, speed and distance log, digital depth sounder, VHF radio, hailer, Furuno 1810 chart plotter, bow thruster, remote windlass controls and remote control spotlight.
