## DETAILED WALKTHROUGH

Beginning forward, is a guest stateroom with a double lower berth and a single upper berth with a hanging locker below. Moving aft past the stateroom privacy door is the head which also has a privacy door to the companionway so that it can be private to the stateroom or accessible to other guests. The shower and head are to port and sink is to starboard. There is also a linen locker to port and an access door to the washer drier.

Moving further aft in the companionway the master stateroom is to port and the second guest stateroom is to starboard. Both staterooms have private heads although the starboard guest stateroom head is accessible from the stateroom itself and from the companionway. The guest has two fore and aft stacked berths and a hanging locker. The attached head has a stall shower, head and vanity.

## DETAILED WALKTHROUGH CONTINUED

Opposite to Port is the master stateroom with a walk around queen berth, and lots of drawer and locker storage. The headboard contains built-in bookcases and shelving. There is a large hanging locker and a private head with a large stall shower.

Aft and up three steps to the main salon with a forward "U" shaped galley. The galley appliances with the exception of the ceramic cook top are all concealed behind book matched teak joinery. They include sub zero drawer refrigeration and freezer, double stainless steel sink, built in convection/microwave oven, built in toaster oven, a trash compacter, and built in coffee maker. Opposite the galley to starboard is a large dinette with seating for four. On the bulkheads forward of the dinette are two lockers. One locker houses glass storage and the other has controls for the water maker, AC units, video player, Sony stereo, CD player, and the tank sentry for fuel, water, and waste.
