BROKER'S REMARKS

GIGI, with her exclusive True 5-stateroom layout, represents the best 97' Hargrave value on the market. She is the perfect blend of great condition, comfort, elegance and proven charter ability. She is truly a turnkey and highly reliable yacht for your family's cruising pleasure. Expertly proportioned and structured lines create a perfect profile for this outstanding raised pilothouse model featuring the best of both worlds with plenty of indoor and outdoor space. Stepping aboard this vessel you are treated to a diverse outdoor space that offers both seating and dining capabilities as well as access to all the key locations on the yacht. Large pneumatic doors with sensors glide open to reveal the glowing salon. The comfortable, no nonsense appeal of this yacht's interior is achieved with a blending of classical and contemporary styles. Forward, the formal dining room becomes an extension of the salon with a round table and dining chairs, as well as a granite clad buffet. Forward and to starboard, a day head and access to the raised pilothouse precede your entrance into the galley. The galley is large and nicely equipped with professional style appliances, and features a Hargrave signature, the country kitchen arrangement with a large settee facing aft. Down a starboard staircase from the galley, you will find the captain's quarters.

A private entrance from the salon to the staterooms below is found portside. This area features 5 full staterooms including a master stateroom, VIP stateroom and identical port and starboard twin staterooms and additional guest stateroom. Every creature comfort is met in these luxurious accommodations, such as full entertainment systems, large hanging closets, and en suite heads. The master stateroom is equipped with his and her heads and a gorgeous walk through shower accentuated with plenty of marble and granite.

DISCLAIMER

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
